

Don't Miss The Boat!

Discover the dramatic and stunningly beautiful west coast of Canada and Alaska with Cruise West small ship cruises. Cruise West is a family-run company which provides a more intimate and indepth experience of this breathtaking wilderness. Their boats will take you right up to the glaciers, and afford an up-close unhurried look at wildlife.

The maximum number of passengers on their largest ship is 120, and the atmosphere on board is relaxed and informal. Their boats can negotiate narrow waterways impossible for a large boat.
