GALAPAGOS OF THE SOUTHERN OCEAN

13 days/12 nights

Departs ex Dunedin or Invercargill, NZ

Few travellers have heard of the Sub-Antarctic Islands that lie to the south of Australia and New Zealand, yet their astounding biodiversity has afforded them the highest conservation status and protection, with access by permit only. The name given to this voyage reflects the archipelago's natural splendour and wealth of unique wildlife. On this inspirational, informative journey, you will visit four important islands: The Snares, Auckland, Macquarie and Campbell.
