Day 1 Juneau - Embarkation

Transfer to your vessel to commence cruising. D

Day 2 Icy Strait / Cross Sound

If the tides permit, head out in a skiff to scour the rugged shore where seals regularly haul out. Paddling and trekking are definite possibilities in this stunning corner of Alaska. BLD

Day 3 Glacier Bay National Park

Most visitors see the same sliver of this 3.3 million acre park but not you! You have the chance to explore what 99% of visitors never see. Head out on foot into the Fairweather Mountains or kayak out into Dundas Bay. If you're lucky, you might even spot a wolf. BLD

Day 4 Glacier Bay National Park

A National Park ranger joins you today, pointing out the many different species of seabird that

inhabit South Marble Island. You'll probably hear and smell the raucous sea lion colony before you see them. Enter enchanting Tidal Inlet en route to visit Margerie and Grand Pacific glaciers, which will hopefully be calving spectacularly. BLD

Day 5 Chatham Strait

Cruise through Chatham Strait keeping an eye out for whales and birds from the bow before pulling into Port Frederick in the Tongass National Park. Search for bears along the shoreline or seals bobbing on the surface either on foot, kayak or skiff. BLD

Day 6 Captain's Choice

Your captain will lead you to a hidden pocket today. Will it be the Lynn Canal or Chatham Strait? Wherever you go, there will be plenty of opportunity to test your paddleboarding skills. BLD

Day 7 Haines

Hiking, biking and rafting are just some of the things to do in this picturesque centre of adventure. Your expedition team will reveal plenty about this city's vibrant Tlingit heritage and rich gold rush history. Tonight, there's a festive Farewell Dinner followed by the presentation of a trip "photo journal" by your expedition team. BLD
