Designed for sustainability and maximum stability, this fabulous yacht also features an elegant dining room, a bar, spacious sundeck, hammocks, day beds and a four-person hot tub. With 14 crew on board including two expert naturalist guides, the M/V Origin has one of the lowest guest-to-guide ratios in the Galapagos.

These two identical tri-level yachts are custom built for Galapagos small-group expedition cruising, accommodating no more than 20 guests in 10 double outside-facing cabins. All are air-conditioned and fitted with a window or porthole and private bathroom. Shared spaces include a dining room, well-stocked bar, welcoming lounge area, library and partially shaded sundeck furnished with loungers.

All ships carry Zodiac boats, snorkelling equipment, full wetsuits and kayaks.
