AFRICAN WILDLIFE SAFARIS

2019/20
MIDDLE EASTERN MAGIC

Welcome to our exciting new program of tours to Egypt, Israel, Jordan, Morocco, Oman, and the U.A.E. These ancient lands, the cradles of our civilisation, offer a truly unique holiday experience, filled with fascinating historic sites, mysterious landscapes to explore, exotic cultures and tantalizing cuisine.

The ebb and flow of long-age empires have left their mark across the region. Many of Egypt’s pharaonic pyramids, tombs and temples are still intact and scattered across the landscape; whilst the glories of the Roman Empire stretch all around the Mediterranean from the ancient city of Jerash in Jordan to the ruins of Volubilis in Morocco. Follow age-old trading routes to the lost city of Petra with its rock-hewn temples, and witness magnificent crusader castles like mighty Kerak Castle in Jordan. Discover the sacred cities of Jerusalem and Bethlehem in Israel, as well as modern, bustling Tel Aviv.

Our Antiquities & Wildlife itinerary on page 32 combines some of the most famous sites of Egypt with some of Tanzania’s best game reserves. We also feature some of the most exclusive tented camps and lodges in Kenya's Masai Mara reserve.

In this brochure you will find a range of accommodation and tours which have been carefully chosen by our experienced product team. All arrangements are tailor-made for individual travellers, giving you absolute flexibility. Our accommodation includes 4 and 5 star hotels, beautiful boutique properties in restored palaces, and romantic riads with tiled courtyards and bubbling fountains. Choose from 5 star Nile cruise vessels or elegant 19th century style sailboats called dhahabas.

Whatever you choose our experienced staff are there to guide and advise you. Happy travelling.

Conservation We Support

As a specialist tour company tailor-making journeys to Africa, Antarctica, the Arctic, Bhutan, Canada & Alaska, India and South America, African Wildlife Safaris and our sister company Natural Focus are committed to preserving the world’s wilderness areas. Over the years we have made significant contributions to conservation projects in the destinations we visit, through our policy of giving clients the opportunity to contribute $10 (or more) per person, which we then match dollar for dollar. We don’t charge an administration fee, so 100% of contributions go to the nominated society or project. For example our ground operator in Morocco supports a community project in a local village where the locals earn a living by making pottery. Unfortunately, the villagers cut down rare trees to fire the pottery. The local community project involves conservation education, including using alternative fuel sources and a pre-school education program for children.

AFRICA BROCHURE

Combine Egypt or the Middle East with a wildlife safari in Kenya or Tanzania. Our 156 page Africa brochure features East and Southern Africa’s best wildlife areas and magnificent safari lodges and camps. Destinations include Botswana, Kenya, Tanzania, South Africa, Zambia & Zimbabwe.

INDEPENDENT EXPERIENCES FOR THE DISCERNING TRAVELLER

We believe that to fully experience a country, its wildlife, its culture and its natural beauty, you need to take your time and travel on your own terms. So rather than selecting a pre-packaged tour which may be rushed, inflexible and potentially full of incompatible personalities, we work with you to create a bespoke experience incorporating places you’d love to see, things you’re keen to do and accommodation that suits your style and budget. As a professional travel company with over 34 years experience, African Wildlife Safaris can offer you all the services you need to plan and organise your holiday. Most of our trips are tailor-made to suit, and our experienced staff know exactly how to put together the perfect holiday customised to your budget, interests, and travel timeframe.

PRIVATE VS GROUP TOURING

Our itineraries are not group tours with set departure dates but designed to be undertaken independently. Costs are usually based on two or more passengers in a private vehicle with your own driver, and local guides are provided in each city. However in this brochure some of our itineraries do involve group touring as follows: Nile cruise boats - all touring on the Nile cruises is conducted on a shared basis by the cruise company; and in Israel, due to logistical and cost reasons, all tours featured in this brochure are conducted on a shared basis in a 19 seater coach or a larger coach of up to 45 passengers. However, private touring can be arranged at extra cost.

HOW TO BOOK YOUR TOUR

A Seamless Travel Experience

Information about places you would like to visit has never been more accessible. This can make it both easier, and more challenging when it comes to booking a holiday. Book with a reputable, accredited travel company and take the hassle out of organising a holiday, whilst you can expect expert guidance, small groups and personalised itineraries. We advise that you take the following steps to ensure your travel experience is seamless, without any inconvenience or unexpected surprises.

1. RESEARCH

Do you have a list of places you wish to go, and things you want to see? Read our brochure and website, then discuss your ideas with our experienced specialists as a starting point.

2. PLANNING YOUR TRIP

A successful itinerary needs your involvement. The more we know about what you want from your visit, the easier it will be to help you design your perfect holiday. Are there particular regions you want to visit? What time of the year do you wish to travel? Do you have an approximate budget, and a preferred style of travel? Contact us to start planning today.

3. BOOK YOUR TRIP (EARLY)

Once you are happy with your itinerary, it is time to book. We can save you a lot of money and time by booking your hotel well in advance. Please note: Some single traveller hotels offer a better deal when booked in advance.

4. SHARE YOUR EXPERIENCES

When you return home, don’t forget to tell us about your experience. Our staff love hearing about their clients’ experiences, or seeing photos and videos. And don’t forget to share your memories with us on our social media.

OUR BROCHURE

Our brochure is designed to be a starting point from which we can begin building your perfect itinerary. It features a selection of suggested itineraries and a wide range of carefully chosen accommodation. We can customise, combine, extend and upgrade your budget and travel style – use our expertise to build your unique collection of lifelong memories.

BEFORE YOU BOOK

The information contained in this brochure was correct at the time of publication. Since then, however, changes beyond our control could have occurred. Please refer to our Booking Conditions on page 35, in particular with respect to prices, itineraries, travel duration, standard of services, airfares and airline schedules. Before you book please check with us to ascertain if there are any alterations to the journey you have selected.

ACCOMMODATION

DARADS

These are the traditional Moroccan houses or palaces of Morocco’s elite, which have been restored to their former glory and transformed into boutique hotels. They usually have highly decorated interiors made from mosaic tiles, courtyards and gardens, and magnificent fountains. The standard of accommodation varies from simple to very luxurious, but all are charming and exotic alternatives to the hotel chains.

NILE CRUISE BOATS

A cruise down the Nile is one of the most romantic ways to see Egypt, watching traditional village life on the banks and stopping to visit ancient temples. The standard of cruise boats varies a lot. Our selection on page 10 leads in with the Moppywick Express, followed by the 5 star Somaia cruisers the 5 star deluxe Oberoi Philae and Oberoi Zahra, and luxury Sanctuary Retreats.

DAHABIYAS

Traditional style riverboats as used by aristocrats in the 19th century, dahabiyas are beautifully handcrafted from wood, with 7 to 10 spacious ensuite cabins. Apart from their charm, the advantage of a dahabiya over a cruise boat is the more authentic and private nature of the experience. Dahabiyas can also moor on islands and shores away from the large cruise boats.

HOTELS

These range from luxury hotels with the highest international standards of service to more modest first class hotels. All have ensuite bathrooms and most have air-conditioning. It must be remembered however that facilities in Egypt, Morocco and the Middle East are not always equal to those in Australia and there may sometimes be problems with electricity, plumbing and internet.

THE TEAM IN AUSTRALIA

Our team are all seasoned travellers in Africa and the Middle East and have the knowledge and experience to help you choose the holiday which best suits your style and budget. Let them help you plan your safari and design an itinerary specially for you.

OUR TEAM IN AUSTRALIA

Stephen & Sara Cameron Company founders Steve and Sara first travelled to Egypt and Morocco back in the 1980’s and have visited almost 30 years later in 2010. They travelled down the Nile by traditional dahabiya and explored the mysteries of Petra in Jordan.

Anne-Marie Zambelli Anne-Marie, our General Manager, has clocked up over 30 years’ experience in travel. Having visited much of the world, from India to Antarctica and Madagascar to South America, and has a knowledge of our destinations second to none. Africa, and the Middle East especially her passion.

Chris Meechan Chris is fascinated with the Middle East started in school when learning about the wonders of Ancient Egypt. Chris first travelled at 16 when he took 6 months off school and travelled solo around Europe. Chris’s idea of heaven would be a leisurely cruise of the Nile on a Dahabiya and seeing the lesser-visited sites.

HANY ELKATOURI - EGYPTOLOGIST

Our resident Egyptologist, Hany grew up in Giza and spent his childhood years marveling at the pyramids. This inspired him to study Egyptology at the University of Cairo before going on to lead tours across the length and breadth of Egypt. His favourite place to visit is the Valley of the Kings, and he loves the colours, decorations and stories that are inscribed within the tombs.

ABU SIMBEL • EGYPT

No visit to Egypt is complete without visiting the awe-inspiring temples of Abu Simbel. Built by Ramses II in the 13th Century BC, Ramses had four gigantic statues of himself hewn from the mountainside. The largest ever built in Egypt, they were created to impress upon the Nubians his power and greatness. In the 1960’s, due to the construction of the Aswan High Dam, the temples were carefully moved, block by block, and fitted back together in a specially constructed artificial cliff. The whole project took almost 4 years to complete, and was so precisely measured that twice a year, in February and October, the rising sun penetrates all the way to the temple’s interior as it was originally constructed.
